Started in 2005, Preferred Elevator Company is independently owned and operated. The owner of Preferred Elevator Company is himself, an elevator mechanic with over 25 years of experience. Each and every one of our mechanics has successfully completed, and are certified by, the National Elevator Industry Education Program (NEIEP). Even our apprentice mechanics are required to be actively enrolled in NEIEP while in our employment.

Serving most of central Maryland, as well as Washington D.C. in its entirety, Preferred Elevator Company provides complete solutions for the **installation, repair, maintenance and modernization** of:

- Residential elevators
- Commercial elevators (4 stop or less)
- Stair chairs
- Wheelchair lifts (commercial and residential)
- Dumbwaiters (commercial and residential)
- Hillside trams

As an independent elevator company Preferred Elevator offers our customers the best products on the market. The equipment we install is selected based on customer need and our high standards of reliability. We work with your architect, designer and/or contractor to provide the right product for your unique situation or project.

Preferred Elevator Company provides a quality preventative maintenance program because we believe there is no substitute for preventative maintenance.

Our program is designed to minimize callbacks and major repairs while keeping your equipment running properly to maximize its life. In the event a service call is needed, we pay special attention to meeting those needs in a timely efficient manner. Our pride is our customer service.

As an independent elevator company Preferred Elevator Company also provides modernization services. Customers modernize their equipment for a variety of reasons. No matter what the reason, Preferred Elevator can provide the proper resources for a first class upgrade.
